

Building Group Is Organized; Plans Made For Future

The Nevada County Building Committee became a legal corporation Friday when the members adopted the organization's by-laws and elected officers and a board of directors. Earlier in the week the articles of incorporation were filed after being approved by the secretary of state.

It was decided to change the name from the Nevada County Building Authority to Nevada County Building Committee.

Stanley Halls of Grass Valley was elected as chairman of the committee with Dale Smith as vice chairman and Albert Casey, secretary-treasurer. John J. McGlade of Truckee, Howard Bennetts and the other three officers comprise the board of directors.

Smith was chosen to be liaison officer for the building committee to work with the architects, Malcolm O. Mau and Wesley J. Barnum.

Halls explained that the county board of supervisors had entered into an interim agreement with the Schweser Finance Company to proceed with preliminary plans for the new county building in Truckee and the proposed court house annex on a lend-purchase basis.

However, he said, after total costs for the projects are determined the county must then make a definite decision as to whether it is going to finance the program with obligation bonds or by the lease-purchase method.

The committee voted to hold regular meetings the second Wednesday of each month on the first, fourth, seventh and tenth month of the year at the court house.

Recreation Meet At Tahoe Planned

TAHOE CITY—Everyone interested in the present and future development of community recreation programs in the North Tahoe and surrounding areas, including Truckee and Donner Lake, are invited to attend a public meeting at 8 p. m. Monday, November 27 at the Tahoe Lake Elementary School in Tahoe City.

Ferdinand A. Bahr, recreation specialist with the division of recreation for the State of California, will discuss the part recreation plays in the economy of this area and will suggest methods for directing good community recreation projects.

This special meeting has been arranged by James Wilson, Placer County welfare department and Supervisor William Briner who are promoting public interest in a North Tahoe area recreation program.

It is urged that a large representation be on hand to hear various methods leading to the success of the program.

LOCAL STUDENTS IN UNIVERSITY BAND

Douglas Ball of Tahoe City and Cynthia Reynolds of Truckee were among the 32 students from this area from the University of Nevada marching band featured on CBS-TV from the Los Angeles coliseum Sunday.

The university band appeared in a solo performance at the half-time of the Rams-49er professional football game. In addition to the marching exhibition, which was televised throughout the western states, the 70-member Wolf Pack band, performed Saturday in Disneyland. Directors of the band are Dr. John Carrico and Fred Green.

It is the largest band in the university's history and the exhibition at the game, shown locally on Channel 8, was excellent.

TOWN BASKETBALL LEAGUE TO START

Federal Aid Given For Sewer Plant For Tahoe District

A press dispatch from Washington D. C. announces the public health service this week made a grant of \$14,690 to the Tahoe City Public Utility District.

The fund will be used to assist in building the \$57,648 sewage disposal project.

Kings Beach Man Reported Suicide

ROSEVILLE—The police reported Frederick B. Dennis, 50, of Kings Beach, Lake Tahoe, was found behind the wheel of his expensive car with a self-inflicted fatal bullet wound in the right temple.

The body was found Monday just off the U. S. Highway 40 freeway at the east limit of Roseville by Dennis Conrad, a Sierra College student.

Officers reported divorce papers naming him as the defendant were found with him. In addition, a note was found which revoked all previous wills and named his son, William E., of Upland, San Bernardino County, sole executor of his estate.

Dennis was shot with a .38 caliber automatic pistol.

The police said he apparently was connected with a firm known as the Dennis Engineering Company.

CAR CLUB MEMBERS PRAISED BY PATROL

Members of the Tahoe Truckee Tappets, a local car club of which John Hutchins is the present president, have been commended by Captain R. B. Langner for an unselfish act in perhaps preventing a disastrous accident.

The matter was called to the attention of the captain by Patrolman Glen Virus, who reported that while proceeding on Highway 89 near Squaw Valley, he observed a car parked in the south-bound lane on a curve without lights.

He returned to the scene and found James R. Hicks, a club member flagging traffic around the stalled vehicle with a flashlight, while his companion, whose name was not learned by the officer, but later identified as James Whitley, went to notify the patrol.

"The reason for this memo," Virus wrote, "is that I believe these young men did a very unselfish act. This occurred during a heavy downfall of rain, probably soaking the one flagging traffic to the skin."

TOASTMISTRESS CLUB MEETS ON SATURDAY

KINGS BEACH—The next meeting of the Toastmistress Club will be held Saturday at Crystal Bay Club where a luncheon will be served and members of the Reno club will visit. Officers will meet with Marjorie da Costa and Dr. Kathryn Duffy at 11:30 and luncheon will be served at 12:30 p. m.

Reservations should be made with the corresponding secretary, Nora Landell.

PEACE CORPS EXAMS SLATED NOVEMBER 28

Postmaster Richard Higgins announced today that the entrance test for the Peace Corps will be given on Tuesday and Wednesday, November 28 and 29.

Within a few days information showing the place and time for the examination in the area will be posted on the bulletin board of the local post office.

Anyone interested in taking the test, may watch for complete information at the post office.

Postmaster Higgins added that he would inform the press when the information has been received.

Thanksgiving Services

Rev. Franklin Evans of the United Church of Christ at Squaw Valley, announced that there will be a special Thanksgiving service at the church at 11 a. m. on Thursday, November 23. A cordial invitation is extended to everyone to attend.

Merrill Englehart was scheduled to report for duty in the armed forces, going from southern California.

Hearing Is Again Delayed On Local Recreation Plans

The public hearing on the proposition of whether or not a recreation district shall be formed to embrace all of the fifth supervisorial district was again postponed by the Nevada County Board of Supervisors at Tuesday's session.

The hearing was continued until December 1 at 2 p. m. in the supervisors' chambers at which time Deputy District Attorney John Cassettari will report on the assessed valuation of the district.

It was pointed out by Cassettari that at least 50 per cent of the assessed valuation must be represented by the district to stop the program in hearings. He said that thus far those protesting represent only 6.75 per cent.

Supervisor H. G. Loehr, chairman of the board, proposed that if the plan is approved by the board that no exclusions be permitted and that the ultimate decision be left to the majority of the voters as to whether or not the district be formed.

Exclusions as requested would so weaken the plan as to make it virtually useless, Loehr pointed out, and would make it impossible to carry out the program as proposed by the sponsors.

LOEHR SPEAKER AT MEETING OF GROUP

Supervisor Henry Loehr spoke before members of the Truckee Elementary School P. T. A. Monday evening on the proposed state park to be built at North Bloomfield.

Following his talk on the future recreation spot, Charles Weeks, Nevada County civil defense coordinator also spoke on the important subject and gave booklets on fallout shelters.

Henry Frates led the pledge of allegiance to the flag at the opening of the meeting, with Mrs. Fosten Wilson presiding.

Mrs. C. W. Kydd said that each class room will have an indicator to register the number of parents joining the organization. Robert Hackett reported on a recent board meeting and Norman Handy's class won the room count. Johnathan McLane entertained with three piano selections and refreshments were served during the social hour by Mesdames D. Daly, L. Russell, I. Davis.

SISTER OF CARNELIAN BAY WOMAN EXPIRES

CARNELIAN BAY — Funeral services were held at Chico for Mrs. Elizabeth Henderson, sister of Mrs. Dorothea Biggs of Carnelian Bay, Lake Tahoe.

She was a Chico businesswoman and had resided there 41 years. She died Friday in the Enloe Hospital.

Burial will be in the Chico cemetery.

Mrs. Henderson, who was born in Yakima, Washington, spent her early childhood in Lassen County, coming to Chico in 1920 with her parents, Mrs. Jennie Freeman and the late Jasper Freeman.

PERMITS ISSUED FOR DIVERSION OF WATER

SACRAMENTO — (CNS) — The state water rights board announced it has issued a permit to the Truckee Public Utility District for .25 cubic foot of water per second from Sawtooth Springs, to be used for municipal purposes.

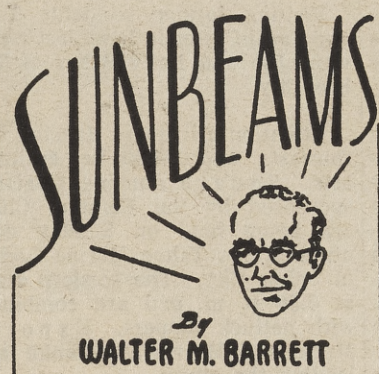

The board announced also it has issued a permit to Lauren I. Russell and Zephaniah D. Rose, P. O. Box 123, Truckee, for .5 cubic foot per second from tributaries to Prosser Creek, to be used for domestic purposes.

Kitts Honored

Charles R. Kitts, Nevada County assessor, recently returned from the annual state convention of the California Association of County Assessors, reelected for the second consecutive year as a member of the state executive committee, representing Northern California counties.

MONEY FOR ROAD

The 1963 federal forest highway program includes \$200,000 for surfacing six miles of road between Bassett and Gold Lake, Congressman Harold T. Johnson advises.

At this time of the year, with the holidays coming up, our communities are being besieged by professional chiselers, who carry their message and doubtful wares right to the doorways, bypassing the local merchants. We will suggest again that these peddlers and unknowns be ignored and that you do your purchasing from your reliable community merchants. There you are assured of quality, equal or better prices and guaranteed service. And best of all you are helping build a better community and supporting an industry which contributes to local programs. Make this a real trade-at-home holiday season and keep your local dollar in your local community. You will find it pays dividends.

District Firemen Form Association

TAHOE CITY — Plans for the formation of a district firemen's association were made at a meeting held Friday at Tahoe City, Chief Al Henry of the local department announced.

The purpose of the association is to better acquaint the firemen of this area with mutual problems and create a better fellowship among the members. It will also provide valuable information as to what equipment each department in the association has available in event of an emergency, Chief Henry said.

The next meeting will be held at the Kings Beach fire station on December 8.

Among those attending the meeting Friday were Ed Fisher, Tahoe Valley chief; Jack Hepner, chief of the Squaw Valley department; Joe Fulton, Kings Beach department chief; Aaron Abbott, Kings Beach; Chief Ed Andrus, Gene Foster, and Joe Copeland of the Truckee department; Doug Ingram, Crystal Bay chief; Bob Baker, Tahoe Valley and Chief Henry, Bill Keen and Les Spitz-en of Tahoe City.

At the same time Chief Henry announced that the new fire station at Tahoe City will be dedicated at open house to be held at 2 p. m., November 25.

TAHOE CHAMBER IS MEETING AT LAKE

KINGS BEACH—The November meeting of the Lake Tahoe-Sierra Chamber of Commerce was scheduled for noon today at the Nevada Lodge.

Selby Calkins, president of the chamber, in a letter to all members reminded them that the chamber is on the threshold of a new year and that the meeting is perhaps the most important to face the members for months to come.

Heading the agenda will be the appointment of a standing committee which, under the by-laws, conducts the affairs of the chamber.

MARDI GRAS PLANS MADE BY SQUAWS

TAHOE CITY—The November business meeting of the Tahoe Squaws was held last Wednesday night at the Highlands residence of Mrs. Neil Gates, with Audrey Brehler presiding over the meeting. The group formulated plans for the second annual champagne Mardi Gras Ball which will be held in February. In charge of arrangements for the ball are Mrs. Fred Onorato and Mrs. Bill Nichols. The Squaws will celebrate the Christmas season with a party to be held the evening of December 16 at the home of Mrs. Enrico Giannini with Mrs. Giannini and Mrs. Bill Briner hosting the party.

Successful Show

TAHOE CITY—The hobby show held November 8 at Tahoe Inn was a success both socially and financially. Many interesting hobby items were displayed and some were sold. Proceeds go to Tahoe City children's Christmas party and club charities.

Tahoe Man Badly Injured In Series Of Auto Wrecks

Six people were injured, one critically, in six vehicle accidents reported by the California Highway Patrol this week.

In the Tahoe Forest Hospital in critical condition is Harold D. Stark, 45, well known Tahoe City resident, who was hurt at 10:20 p. m. Monday when his car, traveling north on State Route 89 a mile south of Deer Park Lodge was struck and demolished by one driven by Robert F. Schlumpf, 20, Homewood.

According to the highway patrol, Schlumpf was traveling north, came around a bend on the wrong side of the road and struck the Stark car just back of the driver's seat.

Parts of the Stark car were scattered and the gasoline tank, hurled up the embankment, caught fire and it required the services of the Tahoe City Fire Department, under the direction of Chief Al Henry, to extinguish the flames.

Both Schlumpf and Stark were rushed to the hospital but the former was not believed seriously injured.

Patrolman William Gautsche and Bud McCallen made the investigation.

Tire Blows Out

Steve B. Brown, 47, San Francisco and Bennie Brown, 15, were injured and hospitalized when a tire on the car driven by the former blew out Saturday morning four miles east of Truckee. The car crashed into a guard rail.

Driver Sleeps

Harold E. Gruendemann, 45, Kings Beach, apparently fell asleep at the wheel of his car Sunday evening a mile and a half south of Truckee on the shortcut and the vehicle hit a tree. The driver was taken to the hospital with minor injuries.

Sleepy Driver

John F. Loomis, 26, Yuba City, gives his safety belt credit for preventing a more serious accident when he apparently dozed at the wheel of his car along Donner Lake and the vehicle left the road and struck a tree Monday at 6:40 a. m.

Herman Johnson, 59, Oakland, was cited Tuesday afternoon when his car hit a truck he was attempting to pass on Donner Summit. The truck driver, Kenneth Brummett, 40, Cheyenne, Wyo., and Johnson escaped injury.

JOHNSON IS MAKING TOUR OF DISTRICT

Congressman Harold T. Johnson of the second, mountain-valley district, will climax a week's tour of northern California counties, which he represents, at a dinner in his honor at the Nevada County fairgrounds Saturday night at 7 o'clock.

The dinner will be held in the home economics building and Mrs. Amy Nygard of Grass Valley is chairman.

On Monday Johnson participated in the dedication of the new section of Highway 40 at Monte Vista and then traveled to Shasta, Siskiyou and Modoc Counties.

DOYLES TO BE FETED AT MEETING OF O.E.S.

A farewell night, November 21 will honor Mr. and Mrs. Paul Doyle, worthy patron and worthy matron of the Truckee Chapter No. 116, Order of the Eastern Star. Phyllis Snyder will head the committee in charge of refreshments. The 1962 officers of the lodge will be installed Saturday evening, December 2. Relatives and friends are welcome to attend the ceremony.

STREET MAIL BOX IS LOCATED AT DEPOT

Postmaster Richard Higgins announced this week that the drop box now located in front of the old post office is being moved to the Southern Pacific depot. There will be no local pickups there and mail deposited therein will be collected once a day at 7:30 p. m. and taken to Sacramento for cancellation.

MEETING

The next meeting of the Civil Defense Nutrition Class will be held Thursday, November 16, at 7:30 p. m. at the high school cafeteria room. New applicants for this informative class will be accepted.

Lake Tahoe Drops To Lowest Point; Temperature Low

TAHOE CITY — The level of Lake Tahoe continued to drop this week as no precipitation was recorded in the area. On Monday the lake level was 6222.82 feet, or .18 of a foot below the legal rim, according to Daryl DeWalt, the cooperative observer.

The temperature remained on the cool side with a high of 54 and a low of 23 recorded during the week.

Christmas Funds Released By Bank

A brisk holiday shopping season in Truckee was indicated today by Bank of America's announcement that it is distributing 1961 Christmas club checks totalling \$69,999.10 to local residents.

W. F. Keller, manager of the Truckee branch said 421 Christmas club checks will be mailed to local depositors this week (November 12-18).

Distribution of savings in this area is part of \$71.5 million being sent out by the bank this month to almost 500,000 Californians. The average amount of each check is estimated at \$146.87, as compared to \$141.71 a year ago.

The total amount distributed and the number of participants equals 1960's record figures.

Christmas club checks are mailed in November to help customers do their shopping early. Not all of the checks go for yuletide gifts; some are used for end of the year expenses such as insurance and taxes, or to finance winter vacations.

SISTERS OF TRUCKEE MAN DIE IN ACCIDENT

William Conner of Truckee attended the funeral services for his two sisters, Eva Lee Arrant, 66, of Roseville and Mildred I. Morton, 55, of Westmorland, who were killed Saturday in an automobile accident at Roseville.

The car in which they were riding swerved into the path of a loaded truck and trailer on Highway 40 at the Highway 49 overpass.

Officials of the California Highway Patrol have no clues indicating why the automobile suddenly swerved in front of the truck and was crushed broadside. A check of the car found no steering defects, the highway patrol reported.

Driver of the truck, William R. Morgan, 29, of Fremont, told officers that his truck and the car driven by Mrs. Arrant were west-bound. Morgan said he was driving in an inside lane and the car was moving slowly in the right lane.

SIERRA APPLIANCE HAS NEW AGENCY

Announcement was made this week that Wayne Ramey, owner and manager of the Sierra Appliance Service, has been appointed authorized dealer in this district for the popular Hot-Point appliance line.

Ramey, whose store and service shop are located in the Olympic Hotel building, said he was especially pleased to receive the appointment at this time as it gives buyers an opportunity to make Christmas gift selections on convenient payment plans.

SCIENCE LECTURE AT RENO IS SCHEDULED

The public is cordially invited to attend a free lecture on "Christian Science; Its Stabilizing Influence in a Challenging World," Sunday afternoon at 3 p. m. in the church edifice, 501 Riverside Drive in Reno.

The lecturer will be Mary Wellington Gale, C.S.B., member of the Christian Science board of lecturership of the Mother Church, the First Church of Christ, Scientist, in Boston, Mass.

NURSERY SCHOOL TO HOLD ANNUAL EVENT

The Truckee Parent Nursery school members are preparing for their annual event on December 8 when a doll, plus an extensive wardrobe and a glistening truck will be awarded.

At present toys are displayed in Cabona's Store window.

Rail Facilities At Norden Burned In Spectacular Fire

A spectacular fire at Norden last night completely destroyed a half mile of snow sheds, the depot, turn-table and other valuable facilities of the Southern Pacific Company.

An unofficial estimate placed the loss at nearly \$1,000,000. Two hundred men today were working to repair the damage.

The fire is believed to have started from a trash fire near a section house. The house caught fire and the flames quickly spread to the dry sheds where it was impossible to bring it to a halt.

Fire department from Truckee, Donner Lake, Tahoe City, Kings Beach and Squaw Valley, as well as forest service equipment from Big Bend and Truckee, joined the fire trains in combating the flames. First departments on the scene were the Truckee and Donner crews and credit for saving a dozen houses on the north side of the fire goes to their efforts.

Earl Stice, agent at Norden, suffered minor burns on his hands after standing by his post until forced to leave. This was the only injury reported. Trains were being rerouted over Western Pacific lines.

The fire started about 8 p. m. and was not contained until early this morning.

Fire Commissioner N. F. Dolley, who was on hand, said it was the most spectacular fire he has witnessed in the area.

Tahoe Episcopal Church Is Moving

TAHOE CITY—Rev. Arnold B. Carlson, vicar of St. Nicholas Episcopal Church, Tahoe City, announced this week that the church is moving to a new location.

Ground is being cleared on the Chapel and camp ground just outside of Tahoe City, on Highway 89 for the new location of St. Nicholas. The church will be located right next to the parish hall, that has been used in past years for the summer camp dining room.

A furnace was installed this last week which will now make it possible for the use of the parish hall by St. Nicholas throughout the year. The church will now have more adequate facilities for church school and youth activities.

The second major step by St. Nicholas within the next year, is for the erection of a new church edifice, which will be located adjacent to the present church building, on the new location.

The present church building will be moved by the first of next week, and for the present until moving operations are completed, and the present building is ready for occupancy, church services will be held in the parish hall at the new location.

YOUTH RALLY WILL BE HELD NOVEMBER 24

Last Friday evening the teenage group of the Sierra Bible Chapel joined with a number of youths from Reno for an evening of volleyball in the gym of the elementary school. Norm Handy and Bob Denney had charge of the group of 35 young people. Later in the evening the group enjoyed refreshments and a singspiration at the Denney home.

Announcement was made about the coming youth rally to be held in Reno under the auspices of ten Reno churches and the Sierra Bible Chapel here. The date of the occasion will be November 24 at 8 o'clock at a location to be announced later.

ANNUAL SHOOT BY ARCHERS PLANNED

TAHOE CITY—The Lake Tahoe Archers will hold their annual turkey shoot this year on Sunday, November 19 at the club's outdoor range in Tahoe Vista. Registrations for the shoot will be held at the range from 9 a. m. to 10:30 a. m. and all registrants will be competing on a handicap basis.

Among those making arrangements for the event are Dr. H. M. Holmes, Jim Banta and range masters Favon Cook and Don Lambert. Target arrangements are being made by Al Pecchenino.

There will be three prize turkeys in graduated sizes. The booby prize of a ham butt is being donated by Jack Starratt.

SIX NEW MEMBERS ADDED TO FIREMEN

TAHOE CITY — Fire Chief Al Henry of the Tahoe City Volunteer Fire Department welcomed six new members to the fire department at a meeting held last Thursday at the fire house in Tahoe City. The new members, who will be on call at the south end of the district, are Joe Pomin, Gus Gehlert, Ray Kettenhoff, Bill Collins, Max Hoff and Bob Easton. The new firemen all recently completed a comprehensive 16-hour basic training course.

The Lake Tahoe Archers met last night at their indoor range in

Tahoe City and made plans for their annual party which will be held this year at the Community Center on the evening of December 9. President Bob Johnson presided over the meeting.

The Pete Johnsons of Squaw Valley postponed their European trip for a month or two—they decided the "bon voyage" parties were so much fun that they'd stay for a second round.

WHAT'S DOING

L. R. deGallery, your Telephone Manager in Tahoe City

With winter Activities underway, it is the pleasure of the Pacific Telephone Business Office to remind all organizations and schools of our film library. There is no charge for this service and there is a wonderful variety of educational subjects. To give a few examples:

"The Unchained Goddess," covers the weather with unusual scenes of tornadoes, hurricanes and lightning flashes. (60 min. color).

"The Strange Case of the Cosmic Rays," gives a very interesting documentary on the mysteries of the cosmic rays. (60 min. color).

"Anatomy of an Accident," this is the story of an accident involving an individual and his family. It traces step by step the details that contributed the final disaster. (28 min. color).

"Music in Motions," Zino Franciscatti, world renowned violinist, performs, Bell Lab scientist analyze the violin's sound waves with spectrograph equipment. (18 min. color).

To arrange for these films, call the Tahoe City Business Office JU 3-3423. Your Service Representative will be happy to furnish you with more information or take your request for the film of your choice.

Do you know how the telephone company helps bring you network TV?

From a studio, a network television program is sent first to a telephone company TV control center like the one shown at right. From here, the television picture speeds along a network of special telephone circuits to stations in other cities for broadcasting to homes. At check points across the land, the program is carefully watched on monitoring screens. Highly trained telephone men check constantly so you'll get the best possible picture on your television set.

In this way telephone people help bring you television from the entertainment capitals of the nation.

Remember the first portable radios? They were giants compared to the tiny pocket-size models so commonplace today. The invention of the transistor by the Bell Telephone Laboratories helped make smaller radios possible.

That was in 1948. Today, transistors are used throughout the telephone industry and in everything from hearing aids to satellites.

vehicles has been undertaken in the Auburn area starting November 10, according to Captain Richard Langner, local commander.

The cars will be assigned to the Alta and Truckee substations, where it is expected they will undergo typical winter driving conditions. Each of the six makes—Pontiac, Dodge Dart, Mercury, Ford, Plymouth and Chevrolet—has a wheelbase shorter than the 122 inch minimum now specified by the patrol. The cars, which are not compacts but standard sedans with the addition of certain heavy duty equipment, are being subjected to a field test to determine if they can meet the severe performance standards required by the Patrol.

They will spend a month at Alta and Truckee. Previous to this assignment the cars have been tested in Sacramento, Bartow, South Los Angeles, Redwood City and Eureka.

Test sites were selected to note performance characteristics in every type of weather and terrain. "This is not a popularity contest between the six makes," the captain said. "The test is being undertaken because of the possibility that the number of vehicle makes available with 122 inch wheelbase will be reduced, or even non-existent. We should learn whether cars or whether a move to even larger vehicles may be necessary."

Present Dodge patrol cars have a 122 inch wheelbase. Cars will be assigned to regular patrol duty and will be evaluated on roadability, acceleration, comfort, top speed capability and braking response.

The availability here and now of the healing power of the Christ. Truth, will be stressed at Christian Science church services this Sunday.

Luke's account of the healing by Christ Jesus of the "woman which had a spirit of infirmity 18 years ago, and was bowed together, and could in no wise lift up herself" is included in the scriptural readings. "Soul and Body" is the subject of the lesson-lesson.

From "Science and Health With Key to the Scriptures" by Mary Baker Eddy this passage will be read: "God will heal the sick through man, whenever man is governed by God. Truth casts out error now as surely as it did 19 centuries ago. All of truth is not understood; hence its healing power is not fully demonstrated" (p. 495).

The golden text is from Psalm 90: "Lord, thou hast been our dwelling place in all generations. . . Let thy work appear unto thy servants, and thy glory unto their children."

DIVOT-DIGGERS

By BETTY KIELHOFER

The country club plans for a skating party, town play and so forth were met with lots of enthusiasm. The skating party is still being organized and we'll let you know by phone when the final date is set... it will no doubt be the first week in December

since Thanksgiving is just around the corner.

Some of you may remember Chuck and Margie O'Malley who lived in Truckee some years ago. Margie is the daughter of Don and Lillian Sites... Chuck is just out of the Marines and they are settling in our area... he will soon be opening a gunsmith shop with custom made rifles along with general repairs. Welcome back to the O'Malleys—

We certainly miss our coffee and donut shop being open and hope they'll be operating again soon... it is disillusioning to see empty buildings on the front street of Truckee and looks as though there will be quite a few come spring... maybe we should attempt to convert Truckee main street into an old frontier town on the order of Virginia City.

Jim and Donna Souter will be moving soon into their new home in Donner Trail Estates as will Jack and Bonnie Houlgate. They are both very nice places... it is a wonderful feeling to see new homes spring up in the area... that's progress.

Congratulations to Edvi Aro of Soda Springs who just passed his renewal real estate exam... it's not easy and is a great feeling of accomplishment when it is all behind you. Daven Morey tells me he has just taken his and is anxiously waiting to hear... I hardly think Daven will have any worries there.

Cliff Ellis, who is still working on the golf course blasting rocks, informed me that if you wondered what happened to that ball which seemed to disappear in the middle of the fairway last summer, see him. He has discovered several in the holes which were drilled

SUMMIT SCENE

By FRAN COUILLARD

Look for a big renovation at the Ski Inn. Remember in our first scene we said that we hated to see a For Sale Sign on this property? First we met Lee and Thelma Miner from the southern part of the state. Both versed in the resort and catering business. These two are to be the managers of Ski Inn. (We are sorry to report that Thelma had to be initiated into the Tahoe Forest Hospital shortly after her arrival. A telephone call just now tells us that her condition is improving and it won't be long before she is in harness again.) And this past weekend we met Joseph Boyette—the new owner of this institution. Joe plans on moving earth—as his first project to make a larger parking area for the Ski Inn frequenters. (Shall we call him mohammed?) Joe hails from the southern part of the state, also. Riverside. As he has a brand new baby—he is not planning on becoming a permanent resident until the baby is a little older. Think Joe will capture the trophy of becoming the youngest lodge owner in the whole darned area. Claims a middle 20, but looks like he will have to produce an I. D. card if he wishes to buy a drink.

And while we are in the hospital department—a bouquet of get well flowers for Chef Milton Judd of Donner Summit Lodge.

last spring... most amazing... I had no idea they were large enough to hold a golf ball.

Had a nice visit with Cecil Edmunds last week... if I live to be a hundred I don't expect to find anyone who works harder to promote the community than he does and with no personal gain for himself. I just wish we had a dozen more with his enthusiasm and ability. This is nothing new with him. He's been doing it all his life and most good things that have come the way of the public can be attributed to him one way or another... this must be what keeps him so young.

I hear Dorothy and Bob Leamon have been adding on to the Gateway home and have really done wonders with it... two clever people. See you next issue.

Milt was entered in the Reno Veteran's Hospital last week. And speaking of D.S.L. when we asked if news was in order. "Tell 'em that we're 'digging in' and getting out feet wet." Said Gene, Lois and Forrest. Which, we interpret, means that they are getting the lay of the land. (You know that this is a tough job? You certainly have moved into a new place during your lifetime. Remember hunting for switch boxes, outlet plugs, water connections, etc? Well, think about a new outfit coming into a new place that is the home for a couple of hundred people and trying to find the mechanics that makes such a place run?) So "digging in" and "wet feet" mean that these new people are getting the "mechanics" whipped.

The sun shines brightly at this point, and we wander out to look at the thermometer in the glare which plainly states 70. This makes

DONNER DOINGS

By VIRGINIA O'BEAR

It is so good to be back at the typewriter again after my bout with the flu bug last week. Several people called (a few long distance calls, too) and wanted to know "what happened to Donner Doings." I am glad you folks like my little column each week so I'll try not to become ill again, I'll keep taking vitamins and eat lots of liver.

It was with great sadness that our Power Cat boat was taken out of the lake Sunday to be stored for the winter. All of us bundled up and gathered up some of the neighbors children too and took one last ride for the year. The water was getting so rough and the weather too cold for boating. This week is beautiful again with the lake nice and calm. The nights are real cold though so guess we will settle down for the winter now.

Hans Damberg stopped by over the weekend since he managed to get a few days off from his busy life at Ernies restaurant in San Francisco. He is an avid skier and can hardly wait until we have enough snow to ski. Hans is planning a trip in the spring to Denmark to see his parents, first trip back in five years. While here, he placed an order with the auxiliary of the Donner Lake Volunteer Fire Department for a 100 Christmas cards which will mostly be sent to relatives in Denmark.

Week before last, Virgil and Dollie Harris stopped by for coffee and a short visit as they were here at Donner on business. Dollie said she and Virgil had a wonderful time during the fair in Sacramento. Virgil was a patrolman and Dollie worked in the office and they both got to see most of the fair besides. For a few weeks

they had a ball.

Last week Les and Milla Johnson were here getting their duplex fixed up for the winter. We really miss this family and especially Milla as she was so active in civic groups. They managed to attend a benefit card party somewhere while here so that shows you they still keep up on what's going on in our community. Hope they come back someday.

Have you noticed Irv Lund stepping high and mighty lately with a big grin on his face? He and Muriel became proud grandparents November 2, when daughter LaVonne gave birth to a little girl. LaVonne and her husband are former Donner residents and are now living in Hayward. Congratulations, Grandma and Grandpa. Irv is with the Donner Lake Utility Company.

Quite a few Donner families were at the theater at Kings Beach Saturday and enjoyed seeing Walt Disney's "Nikki." That goes to show you that when there is a good, clean wholesome movie, people will tear themselves away from television and take the small fry out. Now our young ones want to go see "Swiss Family Robinson" when it comes and confidentially, so do I.

Last week I had a nice surprise. I found a beautiful bouquet of flowers out on our porch and I think Mr. and Mrs. Ed Urst of Reno left them for us. They are always leaving something or bringing the children homemade cookies and things. They were up working on their place that weekend and isn't nice to have neighbors like that? The Ursts get the Sierra Sun so they can keep up on what's doing, so when you read this, we want you to know we enjoyed the flowers.

Dr. and Mrs. Douglas Brodie and sons returned to their Dollar Point home after a nice visit with the doctors folks in St. Paul, Minnesota. Nancy was at the board meeting at the home of Mrs. Hal Gilson Monday evening when the officers met for the Auxiliary of the Donner Lake Volunteer Fire Department. Nancy told us all about her trip and about their trouble with bad gas in Oklahoma. Muriel was there too, and said their hunting trip was very successful despite the fact they had the flu the first week in Montana. It is great to have Nancy continue with the auxiliary even though she is way over at Tahoe, we miss her and like to have her present.

Mr. and Mrs. Richard Walker spent the weekend at Alturas and all they got said Jean, "was one goose, one duck, one pheasant and one quail." I'd say that was pretty good hunting even though the game was scarce. Jean said last year the game was plentiful but Dick didn't have the right kind of gun. This year he had the right gun, but no game in sight. Well, you can't win them all so maybe next year they'll have more luck. Anyway, Jean said they had a lot of fun even though she caught cold and is trying to get over that so she can go to auxiliary Thursday evening which will be at the Capitol Cafe in Truckee. Guess what we're having? Prime rib with all of the trimmings for just \$2.50. The time is 7:30 p. m. and hostesses are Marcella Corro and Julia Davis. If you haven't eaten at the Capitol, now's your chance . . . it's wonderful food.

I'm singing the praises this week for our local Truckee Rotary Club. Two weeks ago Johnny Richards called to say he had read in my column about youngsters

waiting in the cold this winter for school buses. He brought up the subject at the following Rotary meeting and the members want to use some of their funds to build portable shelters for children to wait in. Johnny is even donating a shelter himself and I think this is a wonderful thing to do. I hope the children will appreciate these efforts made for their comfort and will help to take care of the shelters which will be put up in a few weeks.

The Donner Lake School of Dancing is coming right along with registration being made now with classes to start around Thanksgiving time. If you want your little darlings to have instruction just call Martha Pankoke at LUther 7-3076 and she will give you fur-

ther information. There will be several classes with various age groups and many types of dancing will be taught. (Martha, will the "Twist" be taught?)

Density of population in the San Francisco bay area increased 30 per cent in eight years, from 384 persons per square mile in 1950 to 500 in 1958.

ANOTHER WEEK HAS PASSED

AND STILL WE DO NOT
HAVE THE OPPORTUNITY TO DISCUSS
OUR OFFER TO BUY OR LEASE
YOUR UTILITY SERVICE
(NOT YOUR DISTRICT)

We think the people of Truckee are entitled to a better deal on their power service and we have made an offer of genuine value and importance to the people of Truckee. It should not be brushed off without fair and sincere consideration.

We think the people of Truckee are entitled to learn all the details of our offer and how much it can mean to them. We fail to understand why the top executives of their utility district wish to avoid talking over our offer in a public meeting.

We repeat our offer to meet publicly on this matter. We are proud of our offer and feel if it is understood it will be appreciated for its fairness and worth.

We believe Truckee is growing, should progress, and should do so right now. We think an honest offer to modernize a badly run down electrical system is important. The benefits of our offer will be effective right now and are far far better than some will of the wish scheme which is actually years off.

We can't understand what there is to fear from a public meeting and public discussion. The people own the electrical system. What is wrong in letting them in on things affecting their own property?

NORTH TAHOE BRIEFS...

... By BETHEL

"Beauty — From Head to Toe" is the theme for the Women's Club of North Tahoe meeting on Monday, November 27 at the Nevada Room of the Nevada Lodge at Crystal Bay. Noon luncheon. Alice Hall, first vice president, will officiate at the meeting since Pearl Kientz, president, is on an extend-

ed tour of the United States. Virginia Casella will present a colored film with Robert Cummings on nutrition. Jetta Steward, second vice president, will direct the second half of the program. With Pearl Draney as model, Jetta will do an advanced hair styling. A make-up and coiffure will be done by Heather Barnes, beautician at Jetta's. Question and answer period will conclude the show.

Reservations may be made by phoning the Nevada Lodge at LI 7-2541, Alice Hall at LI 6-3609 or Bethel Van Tassel at LI 6-3842.

Carolyn Elliott and children Cindy and Bobby of Tahoe Vista will have a ten-day pre-Thanksgiving visit with parents, Mr. and Mrs. Lloyd Iiams at Salt Lake City. Bob will join Carolyn and the children for Thanksgiving Day and return home with them.

"Sing Along With Don" entertains the T.P.A. Thursday (tonight) at the Kings Beach School. Last year's outstanding program was directed by Don Vance of Kings Beach and is being repeated by request. Participating in the group are Frank Austin, Marilyn Boat-

man, Audrey Brehler, Kay Felte, Jim Horn, Ruth Weat and Norma and Guy Wilson, Marilyn Fugazi, piano accompanist.

Ron Mills is president of the T.P.A. and will preside at the business meeting.

"It pays to advertise dept." — or "all's well that ends well" — Paul Adamco of Kings Beach is the owner of the injured dog about which was reported a week ago. Seems the dog was quite a way from home and after being injured stayed two days with the Jenkins, awakening them at 3 a.m.

to go home. Pat Adamco noticed his stitches and by coincidence phoned the same vet who treated him. Happily he is cured of his injuries, let's hope he is also cured of wanderlust.

The case of the curious cats who moved under ye correspondent's house, has also been solved. Henry and Helen Chanda of Carnelian Bay had moved to that home from Tahoe Vista and at the time the cats disappeared. Helen called the two kittens trying to catch them, when the third cat appeared. It was Cleo, the mother, who was also missing. A happy reunion

ensued.

Under the same heading but with a less happy theme. "Knight" a large Labrador dog, is LOST. Knight strayed from his home with Harold and Arlene Larsen and children, Nicolai and Canute. Unhappily he was not wearing his collar and one would not be able to determine his residence. If he should appear, phone the Larsens at Liberty 7-3167.

Dave and Betty Solari of Kings Beach also lost their Labrador, Black. To date, Black has not returned home.

Keep a watch and report any homeless animal—it may just be lost.

Irene Kaiser of Kings Beach who was so engaging at the Crystal Bay drug store this past season is now just that—engaged. Irene has returned to Sacramento where she will soon be married. Marriage news later.

Ray and Barbara Bergman of Brockway have had a wonderful trip to Vandenberg Air Force Base

TAHOE BRIEFS

(Continued from Page 5)
where they visited son, Chuck.

Dale Malmgren and Pete Reading of Crystal Bay took in the '49er game in San Francisco last weekend.

Pearl Draney of Incline Beach and Bethel Van Tassel of Tahoe Vista were shoppers and sight-seers at Truckee last Tuesday. Visited the office of the Sierra

Sun, met and talked to the Walter Barretts. The fascination of a small home owned newspaper is never ending. The visitors left with a sense of well being after a short intellectual discussion. Second stop—the Capitol Cafe. Ah! Shades of the '90's and today. Heard about the 112 year old bar—its magnificent. Gorgeous antique clock and a beautiful well appointed dining room. Plans for the banquet room and stage upstairs should complete them in the near future.

Rocking Stone tower was the famous landmark that has been written up in the Sierra Sun several times and has a lovely Indian legend. However, the stone is huge, the most impressive natural monument in this area. Only thing lacking is a plaque to give the legend.

Our recommendation — visit Truckee.

Belated birthday greetings to Mary Koberna of Carnelian Bay, formerly of Gardena and mother of Mrs. Henry (Helen) Chanda. Mrs. Koberna was 92 years old on September 12. Children, Leonard of Sierra Madre and Walter of Arcadia motored up to spend the day. Also present were grandchildren, Nancy and Leonard, Jr., Leonard's children and David and Larry, Walter's children.

A sunny room with a gorgeous view of Lake Tahoe is enjoyed by Mrs. Koberna and since the winter keeps her at home, a small altar was built for her by the Chandas.

Jetta Steward of Tahoe Vista was a San Francisco visitor last weekend. Alice Doyle who spent a two weeks vacation in San Francisco visiting relatives, accompanied Jetta back to the lake.

Ruth Davis, North Shore employee and resident of Truckee, reports son, Bennie, broke his ankle and pulled the ligaments in his right leg at football practice Wednesday. Get well soon.

Lions Club of Kings Beach under the direction of president, Bob Dameri held a joint zone meeting Tuesday night with Carson City, Carson Valley, Lake Tahoe South Shore Lions clubs and representatives from Reno. President Andy Anderson of the South Shore club attended with 29 members, district governor from Reno, George Hamilton, Reno cabinet secretary, Clarence Brown, zone chairman, D. Springmeyer, and among local members, Dave Ashton, secretary, Emory Torquet, Ernie Crawford, Art Mueller, Ken Olerich, Tom Hoffman and Red Waddell. D. H. "Speed" Hansen of Carnelian Bay was initiated into the Kings Beach Lions Club as a new member.

Cousin Kathryn Allen of Auburn, was a visitor to Bethel, Pieter and Jan Van Tassel of Tahoe Vista.

Kathryn attended the 4-H Club leaders' conference held at Squaw Valley Friday and Saturday. Eight counties of 4-H Clubs were represented at the conference, Placer, El Dorado, Nevada, Contra Costa, San Joaquin, Sacramento, Solano, Lassen and Yolo.

Plans for a Holmens family reunion were also discussed for Thanksgiving. About 75 descendants of John and Clarissa Holmes who settled just out of Auburn in the Mt. Vernon district in 1864 will be present at the reunion. Also planning to attend are Harry and Ceta (Holmes) Hoover and sons Jon and Charles of Brockway.

Sheryn Abrahamian of Tahoe Vista celebrated her 15th birthday November 12 with a birthday party, after which the group went ice skating to Blyth Arena at Squaw Valley. Guests were Kim Molsberry, Karen Critchley, Peggy Cernusak, Linda Clark and Judy French. Happy birthday, Sheryn.

Hockey will be the main attraction at Squaw Valley on November 17 and 18. Los Angeles Canadians vs. San Francisco Shamrocks. Game time, Friday and Saturday, 9 p. m.

Celebrating their first wedding anniversary on November 21st will be Ted and Pearl Draney of Incline Beach. Congratulations.

KBD 696 are call letters for the new broadcasting system now installed at the Kings Beach Fire House according to Joe Fulton, fire chief. The broadcasting system will be on the same wave length with other fire departments on the lake and will greatly aid in fire fighting.

Mark Jacobs of Oakland and

summer Tahoe Vista resident has suffered a severe heart attack. Mark is at home after hospitalization but must take a three months leave from business.

Ted Draney and son, Curt, of Incline Beach have returned after a quick business trip to Arizona.

Mae Critchley of Tahoe Vista is able to be up and about for a short period following her back surgery. Thanks her many friends for cards and contributions to the family menu.

Mike and Jean Cinani of Reno, former Tahoe Vista neighbors, were visitors to Bob and Mae Critchley at Tahoe Vista last week.

Jim and Lou Currio of Kings Beach have returned home after a month's vacation to Denver, Amarillo and way points. Highlight of the trip was a visit to week-old granddaughter, Sheryl Lee Currio, parents Rice and Elise. Returned by way of Las Vegas.

A wonderful welcome potluck supper was given by Our Lady of the Lake Guild at the Kings Beach Catholic Church Sunday evening. Over 70 attended the scrumptious food. Chris Hoffman is president of the active guild.

ROTARY DEDICATES MT. ROSE MONUMENT

CRYSTAL BAY — The Rotary Club of North Lake Tahoe announced that today at 11 a. m., has been set for dedication ceremonies for their "Informational Monument," which has been completed on the Mount Rose Highway overlooking Lake Tahoe. Dedication of the monument will be made by Rotary District Governor Nels Nelson and Governor Grant Sawyer has been invited to accept the edifice for the Nevada State Highway Board.

"Ceremonies will take place, without regard for weather conditions," a Rotary spokesman said, "the position of the monument, on a wide point allows ample parking and from Lake Tahoe the Mt. Rose Highway is a wide and easy grade," he added.

Following the dedication and acceptance of the monument into the Nevada State Highway system, a luncheon will be held at the Crystal Bay Club. "Anyone wishing to attend this function of Rotary may do so," Sam Faulkner, president of the North Tahoe club said, "we hope that many persons from Reno, South Lake Tahoe, Carson City, Tahoe City and other cities or towns in our Rotary district will be able to attend and see the final and beautiful monument built to inform tourists of the many points of interest, history and statistics of Lake Tahoe."

FUTURE EVENTS ARE PLANNED FOR SQUAW

SQUAW VALLEY — Dutch Van Rooy, manager of Squaw Valley's huge Blyth arena, announced last week that national hockey teams from the United States, Germany and West Germany will play in a tournament March 2, 3 and 4.

The tournament will precede the world and European hockey championships which will be held March 8 to 18 in Colorado Springs.

Van Rooy said four games will be played in the three days, one Friday, one Saturday and two on Sunday.

Vic Heylinger, general manager of world championships, helped to arrange the tournament and signed a contract with William Newsum, Sr., president of the Squaw Valley Improvement Corporation.

Van Rooy also announced the following events have been scheduled for the arena:

November 17th and 18th, San Francisco Shamrocks vs. the Los Angeles Canadians in hockey; December 15th and 16th, the Squaw Valley Olympians vs. San Diego in hockey; December 20th to 23rd, the Ice Capades, and beginning February 17th, the Pacific Coast Indoor Speed Skating Championships.

pearance in the Lake Tahoe area. Residents have been bothered by having their garbage cans looted by the marauders, but are advised not to shoot them.

The latest to see a bear on his property was David Femley. He notified the sheriff's department but when the officers arrived the bear had left. It was believed to have been a cub.

AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO — (CNS) — The fact that Governor Edmund G. Brown is against legalized gambling has been well established throughout the past several years, but whether the governor has sufficient courage of his convictions to ask the state legislature at the 1962 special session to ban the last legal game in California, which is draw poker, remains to be seen.

Governor Brown announced at a recent press conference that he is "considering" such a move. He did this in commending the citizens of Duarte, in Los Angeles County, for voting down an ordinance which would have permitted establishments of draw poker parlors by an 11-1 majority.

Of course, submitting a measure to the legislature through opening up the session in gambling, would pose some problems, politically, for the governor.

The draw poker issue has been before the legislature many times during the past decade, and each time, it has been defeated, primarily by the state senate.

And the reason for the defeats in the senate stems back to the smaller towns of northern California, many of which have two or three tables located in the pool halls and saloons, devoted exclusively to draw poker. And the

majority of the senate represents these smaller communities.

The question finally has boiled down to the point where it will be difficult to eliminate the swank poker parlors located in southern California without imposing a similar ban on the poker tables in the small communities.

Consequently, if one type of gambling has to go, then so do all other types of draw poker establishments, no matter what their size or to whom they cater.

Thus, the governor is on the spot, being pushed on the one hand by Los Angeles County interests to ban draw poker all over the state, and on the other hand, not anxious to affront the representatives of this state's smaller communities during an election year, when he will seek office again.

There is, of course, the happy medium of doing nothing, thereby permitting local option to decide whether or not the citizens of any community permit poker parlors, or poker tables in their various communities.

Probably, however, the pressure will be too great to adopt the do-nothing course. A statewide initiative has been threatened if the governor refuses to put the issue on special call, and may come along anyhow if the legislature happens to make history repeat itself and again turns down legislation banning draw poker.

But whatever happens, the governor's sincerity in opposing legalized gambling can't be questioned. During his term as attorney general of California, Brown

BONANZA FILMED AT INCLINE SCHEDULED

CRYSTAL BAY—First of three episodes of "Bonanza" filmed on the North Shore of Lake Tahoe will be televised nationally next Sunday night according to an announcement by National Broadcasting Co.

Entitled "The Countess," the full color, hour-long film deals with a visit to the Ponderosa ranch by a titled lady out of the past of Ben Cartwright, owner of the ranch and father of the Cartwright boys, Adam, Little Joe and Hoss.

The "Bonanza" company numbered more than 80 people in addition to the cast when they visited

NOTICE OF PUBLIC HEARING

Notice is hereby given that the Planning Commission of the County of Nevada will hold public hearings at 8:00 p. m., November 27, 1961 and December 11, 1961, in the Supervisors Chambers at the Nevada County Court House, Nevada City, California to consider recommending to the Board of Supervisors the adoption of the Nevada County Subdivision Ordinance.

Copies of the proposed subdivision ordinance may be inspected at the Office of the Planning Commission, 244 Commercial Street, Nevada City, California.

FIFTH-SIXTH GRADE: A's in arithmetic go to Lewis Denney, Sandra Eckerman, Marta Drew-

Ski Fashion Show. "What?" say I. Barb' looks at me in amazement, just as tho' I didn't live here and didn't know that the white gold is bound to bind me, and that ski season is rapidly approaching, and that the old man with the white whiskers and the red woolly suit is already stowing skis, boots, sweaters, parkas and stuff in his bag for terrain termites. So Barb' continues in her positive way, "the date for the fashion show is now set for December 9, and get on the ball. For the show, as usual will be held at the Soda Springs Hotel. And it will be the best show that we ever had." "Good Pete," say I "that is but a month away." And so I get me on the ball. And you had better put a red dot on your calendar over December 9 and prepare to swoon under soft lights, and seductive music, and the like.

Our fingers tire. But we have it coming for missing you that spell. And we haven't forgotten that Fran and Howard Drago took off for an annual Elk barbecue with their many old friends in Stockton. And oh, yeah—the barbecue was followed by their attendance at a football game at the College of the Pacific which Fran makes it easy to report by saying "who they are playing — I don't know."

And Dorothy Bacon returns from a get rested trip to Washington where she visited her two sons and all of her grandkids. (Whilst poor Bert stayed at home to pump gas).

rey and Rod McCallen.

David Curtis turned in the best homework assignment in language.

Penmanship awards go to Catherine Ahrens, David Higgins, Rod McCallen and Ginger Price.

In social studies, the A's were earned by David Goldsmith, Lorene McCarroll, Claudia Rhoades, Steve Silverri and Steven Weiler.

On the weekly spelling list, Catherine Ahrens, Sandra Eckerman, Bruce Leamon, Joe Reichlin, Steven Weiler, Marta Drewrey and Nancy Randol earned the 100 per cent grades.

The written language drill found Catherine Ahrens, Bruce Leamon, Lorene McCarroll, Steve

Weiler, Marta Drewrey, David Higgins and Rod McCallen creating A's for themselves. Bruce Leamon, Sandra Eckerman, Catherine Ahrens, Tommy Romo and Ginger Price have mutual interests.

SIXTH GRADE: Henry Frates, Steve Neifert, Linda Russell, Karel Saubv, Gail Shackelford and Allison Soillner received "A's" on the latest weekly arithmetic test.

Jill Wurst and Jennifer O'Bear are two more to enter the realm of those who received A's in penmanship.

John Clark, Shirley Davis, Karel Sauby, Allison Spillner and Jill Wurst received "A's" in language this week.

KINGS BEACH SCHOOL

KINDERGARTEN—Mrs. Nance. The morning kindergarten class welcomed Hal Peterson last week who transferred from the Tahoe Lake school.

The afternoon class wished "Happy Birthday" to Corky Petzoldt on Wednesday. Corky is five years old.

Room captains this week were: Pam Brown, Patti Rich, Corky Jenkins, Terry Korsun, Ricky Springer, Sharon Briscoe, Judy Conway, Allan Newell, James Donley, Kathy Wooten, Larry Parsons, Teresa, Ferrari, Hal Rickert, Buddy Bitler, Hal Peterson and Christine Ferguson.

FIRST GRADE A. M.—Miss Owens: Thanks to Suzanne Miller and Donnie Bardo who brought crackers to share with the class during milk time this week.

The first grade wants to welcome Joel Cernusak and Russell Potts back to school. Both boys have had their tonsils out and were gone for a week.

FIRST GRADE P. M.—Mrs. Corbin: We have two bunny rabbits in our classroom. The children are writing stories about them.

Wednesday we had a group conference for 14 parents. The following attended: Mrs. Kornazewich, Mrs. Sipes, Mrs. Murphy, Mrs. Wright, Mrs. Sundquist, Mr. Molsberry and Mrs. Holley.

SECOND GRADE A. M.—Mrs. Wing: Mike Weiss, Debra Bell and Ricky Prouty shared cookies and graham crackers with the class this week.

Jackie Biggs has been absent this week due to the death of his father, Mr. Woodrow Biggs.

Wednesday, during science, we viewed the film "Michael Discovers the Magnet." Chris Grellman and Jodi Johnson brought their magnets and showed us how they picked up iron filings, nails, etc.

SECOND GRADE P. M.—Mrs. Smith: The parents of the children in the afternoon second grade are spending a day at school this week.

Eddie Gurney has the best record in spelling, having made only one mistake this quarter.

THIRD GRADE A. M.—Mrs. Ferrari: Our perfect spellers this week are: Francie Baxter, Billy Brehler, Stephen Burghardt, Bill Engelhard, Lyann Fugazi, Charles Hooper, Jon Jensen, Cyd Moore, Martha Pope and Warren Quartly.

FOURTH GRADE—Mrs. Highley: We have new class officers this week. They are, president, Eddie Baker; vice president, Andy Timberlake; secretary, Linda McDonald; treasurer, Jo Burris; reporter, Donna Beck; librarian, Scott Ferguson.

100 per cent in spelling was received by Eddie Baker, Tommy Baker, Debra Corley, Ricky Decker, John Enquist, Scott Ferguson, Jay Johnson, Joan McDonald, Linda McDonald, Moureen Murphy, Sally Templeton and Andy Timberlake.

FOURTH AND FIFTH GRADE COMBINATION—Mr. Strong: In the fourth grade last week the following people had 100 in spelling: Barry Fisher, Nicolai Larsen, Karen Mally, Gary Martin, Janet Stumbo and Charles Weber.

One hundred in spelling went to the following 5th graders: Steven Holley and Alan Von Ruden.

Steve Holley, John Raikes, Barry Fisher, Juan Cole, Ricky Brown, have completed projects showing the use of simple machines.

FIFTH GRADE—Miss Hana: 100's in spelling: Mickey Barker, Shari Bell, Gail Burghardt, Melinda DeSylva, Greg Gunkel, Randy Hiatt, Jennie Hoffman, Sandra Martin, Cindy Niday, John Norcum, Cindy Plunkett, Sharon Roberts, Pieter Van Tassel, Steve Webb.

100's in science test: Shari Bell, Gail Burghardt, Cathy Critchley, Melinda DeSylva, Greg Gunkel, Bob Hoff, Jennie Hoffman, Sandra Martin, Madelyn Mullis, Cindy Plunkett, Sharon Roberts and Carol Webb.

SIXTH, SEVENTH AND EIGHTH GRADE—Science Classes—Mr. Wilen: The sixth grade has finished a unit of study on the universe. Those who have done exceedingly well on the culminating review were: Mitchell Abbott, Bobby Fugazi, Tommy McDonald, Jackie Hoffman, Mike Cook and Toni Rates.

The following 7th graders have done very well on the review tests: Jon Hooper, Kitty Hart, Vicki Jones, Clarence Wiggins and Nicky Grellman.

The 8th grade has been studying the causes of many diseases and how they can be avoided through proper knowledge. The following had the highest grades on the unit review test: Bruce Templeton, Larry Tiller, Mike Thomas, Howard Price, Joseph Hart and Vern Wing.

SIXTH, SEVENTH AND EIGHTH GRADE—English, Spelling and Penmanship—Mrs. Price: Excellent organization of work was done by the following students: Mike Cook, Diana Astle, Tony Rates, Mitchell Abbott, Patty Bervid, Georgia Burris, Gayle Cernusak, Shari Decker, Ann Felte, Mary Ferrari, Jackie Hoffman, Jan Jensen, Rocky Riggs, Janice Wing, Susan Clackett, Everly Clinton, Wendy Howell, Vicki Jones, Carol Corbin, Candy Von Ruden, Dale DeSylva, Jill DeSylva, Howard Price, Bruce Templeton and Gail Wilson.

SKI SWAP SLATED AT SUMMIT ON SUNDAY

SODA SPRINGS — The Donner Community Club this week announced its first annual ski swap to be held Sunday, November 19 at Donner Ski Ranch between 2 and 7 p. m. with registration from 9 a. m. to 1:30 p. m.

Refreshments will be available and baby sitting will be provided for the tots.

The object of the swap is to give newcomers and old timers alike a chance to purchase ski equipment for the whole family at a nominal charge and a chance to dispose of unwanted or unnecessary equipment. Participants are asked to decide the price they want for each piece of equipment before registering. There will be a small service charge for each item sold.

Anyone desiring more information may contact Mrs. Carol Carder.

ROBBER AT SQUAW EVADES ROAD BLOCK

SQUAW VALLEY — An armed robber last week eluded three roadblocks and escaped with \$200 after holding up the night clerk at the Olympic Village.

Gene Verdi, clerk, said he was forced at gunpoint to turn over \$130 in cash from the hotel, as well as \$70 of his own money.

Service Officer

The Nevada County service officer will be in Truckee Friday, November 17, between the hours of 10 a. m. and 3 p. m. Anyone wishing to avail themselves of his services may contact him at the office of Judge Fosten Wilson between the hours indicated.

Leave Here—

The Ed Butlers have left Truckee for their winter address at Pearl Blossom.

BUSY SCHEDULE IS SET BY AUXILIARY

CRYSTAL BAY — The Ladies Auxiliary of VFW Post 7077 met November 9 at Crystal Bay Club where Mrs. Carol Harris was accepted as a new member. Bea Snell, membership chairman, reported the auxiliary had 98 per cent paid up.

A busy schedule was set up for November and December. Six members are sewing for the doll which will be given away to some lucky girl on December 14. The doll is now on display at Town and Country Variety in Kings Beach.

Christmas socks for the children at Weimar are to be completed and turned in by December 14 and weather permitting the gifts and socks will be delivered by Mr. and Mrs. Ted Draney about December 16.

Due to Thanksgiving there will be no meeting in November and the next meeting will be December 14 at which five-year members will be honored.

COMEBACK — Dancer Eleanor Powell, former movie star who made an impressive show business comeback this year after a long retirement, will be the headliner at Tahoe Harrah's South Shore Room November 9-25.

Visit Here— Miss Frances Barrett of San Francisco with her parents, Mr. and Mrs. Frank Barrett of Boise, Idaho stopped en route to their home to visit relatives.

competition faced by the Wolverines this season.

Big James Schull, a 6'5" 265 pound tackle with little experience, saw action in two games and won the acclaim of teammates for his determination. Schull stuck it out on the squad after more athletically gifted players dropped out because the competition got tough. Coaches noted definite progress and had nothing but praise for the Truckee freshman.

CHRISTMAS CARDS AT THE SUN

NAME IS SOUGHT FOR NEW DONNER ROUTE

For the past several months a committee of the Truckee Donner Chamber of Commerce has been endeavoring to select a suitable historical name for the pass, north of Donner Pass, to be traversed by the new freeway, now under construction.

They have been encouraged in their efforts by the state highway department, which has indicated it would be willing to accept the selection.

Efforts have been made to interest various historical societies and in some cases such bodies have been helpful. To date, a name up for consideration is "Stevens Pass," to honor Elisha Stevens, who brought a party of emigrants through this area in 1844. This name has received the recommendation of V. Aubrey Neasham, president of Western Heritage, Inc., of Sacramento, who states, "Elisha Stevens has never been given the credit he deserves in connection with emigration to California."

Another name suggested is "Greenwood Pass," after Caleb Greenwood, who was a member of the Murphy-Stevens-Townsend wagon train, afterwards becoming an employee of John Sutter, and in 1847 is reported to have led the second Donner relief expedition. However, in the opinion of Mrs. Clara S. Beatty, a director of the Nevada Historical Society, who agrees with this name, but states it was probably his son who led the relief expedition, as Caleb Greenwood would have been 82 years old at that time.

Mrs. Beatty also suggested another name, that of "Judah Pass," to honor the engineer who surveyed these Sierra Nevada Mountains and made it possible for the building of the first TransSierra rail road.

Some local members of the chamber have suggested it be named the "Truckee Pass," after Chief Truckee, who is credited with scouting for General Fremont through these mountains. The committee is still open for further suggestions before making their recommendations to the highway department.

CLAIMS SECTION OF AGENCY TO CHANGE

Serious thought is now being given to complete separation of the claims section and the placement section of the department of employment according to Ralph A. Pile, manager of the Auburn office. In the larger metropolitan areas this would involve the actual physical separation and creation of unemployment claims offices and employment offices.

Although it would not be economically advisable to make such physical changes in the smaller offices, the department officials are aware of problems in administering the two programs.

Changes are now being made in the Auburn office which will result in prompt action in registering applicants for work, and serving employers.

GRANDSON ARRIVES

Mr. and Mrs. Anthony St. Claire of Donner Lake received a telephone call from Long Beach, telling of the arrival, November 13 of their second grandchild and first son of Dr. and Mrs. Don St. Claire. The newcomer has been named Donald Anthony and will meet his grandparents during the Thanksgiving holiday.

HOSPITAL RECEIVES WOMENS CLUB GIFT

The Tahoe Forest Hospital this week acknowledged a donation of \$1,000 from the Women's Club of North Tahoe.

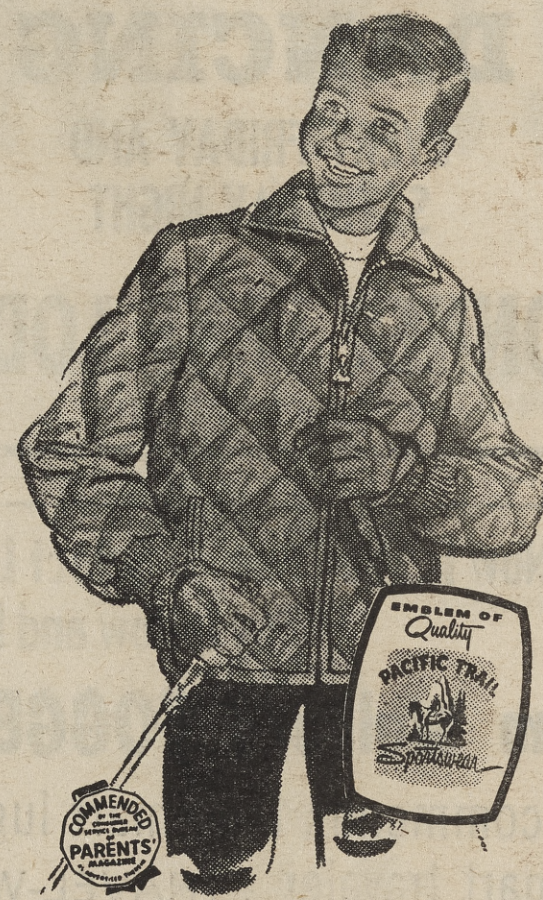

In a letter of appreciation on behalf of the board of directors, Administrator J. J. McGlade said the money would be used for an alternating pressure point pad with a circulating motor and a Stryker turning frame, both of which are needed at the hospital for daily operation of patient care. "Your organization is to be com-

plimented for the excellent results obtained in the gay nineties ball," McGlade wrote, "as all of us here realize how much work and planning goes into an operation of this type. We sincerely thank you for this donation and for all past donations and for your continued support of the Tahoe Forest Hospital."

Mrs. Pearl Kientz is president of the Women's Club.

of Milford, Conn.,
 WHILE CASTING AFTER DARK
 WAS PUZZLED WHEN HE DID
 NOT HEAR THE PLUG STRIKE
 THE WATER...
 HE HAD CAUGHT A
BAT IN MIDAIR!

ELY SAMUEL PARKER--
Full-blooded Indian,
 WAS TWICE REFUSED
 A COMMISSION
 IN THE UNION ARMY
 ON GROUNDS THAT HE
 WAS NOT A U.S. CITIZEN!
 LATER, AS A LT. COL.,
 HE WAS CHOSEN TO
 TRANSCRIBE THE
 OFFICIAL DOCUMENT
 ENDING THE
CIVIL WAR!
